RE: Proposed Amendments to Rules and Regulations, Article 3

Dear Mr. Terrini:

The purpose of this letter is to clarify the Electric Cooperatives' ("Cooperatives") May 25, 2006 letter concerning the Public Service Commission's ("Commission") request for comments to the proposed changes to Article 3 of the Commission's Regulations.

Due to ongoing global settlement negotiations with SCE&G, the Cooperatives do not intend to take a specific position on Proposed Article 3, Regulation 103-304 at this time. Rather, the Cooperatives only intend to preserve their right to participate in any future session regarding proposals relating to Amended Article 3, including Regulation 103-304.

With kind regards, I remain

Very truly yours,

A handwritten signature in black ink, appearing to read "J. David Black".
